## Meet our Employees

Why do our employees enjoy working at CompassCare? We asked, and this is what they had to say:

"CompassCare treats their workers with respect, and they are compassionate to the elderly they serve, which they make their number one priority"

**- Cynthia R., CompassCare Assistant**

"I've worked in community relations for 15 yrs. In that time, I eventually burned out. I needed a new career change into a paraprofessional position, where I could still advocate and work closely with people in need of support. I found CompassCare and began a rewarding role as a live-in CCA...I foresee myself being a part of this great, expanding company for the long haul!!"

**- Susan C., CompassCare Assistant**

"CompassCare is a wonderful company and dynamic company to be a part of. From my first day of meeting management, I was treated like I was a part of the CompassCare family. This feeling of well-being has endeared me to this exceptional company. Staff and management are respectful, kind and considerate. This company shows outstanding compassion, attention, consideration and always go the extra mile for their clients and staff"

**- Carlene W., Lead CompassCare Assistant**
